

**The Delta Kappa Gamma Society International
Alpha Iota State - Michigan
Chapter Yearbook Evaluation Information**

To: Chapter Presidents and Yearbook Editors

From: Alpha Iota State First Vice President and Program of Work Chairman

Your chapter yearbook is a way to share Society, state organization, chapter and coordinating council information with members. The format you choose should fit the needs of your members. The International and State information is now available on the state's website. As you can see on the checklist provided, much of that information is not required for evaluation of your yearbook, but you may wish to include some of the material for both new members and reorientation of current members. When putting together your yearbooks, please keep in mind the music copyright law.

The awards bestowed are:

Admirable Award

Chapters receive this award if their yearbook and evaluation form are submitted by the December 1 deadline.

Praiseworthy Award

Chapters receive this award if their yearbook and evaluation form are submitted by the December 1 deadline and the yearbook includes most of the information listed under Parts 1-4 on the evaluation form.

Pacesetter Award

Chapters receive this award if their yearbook and evaluation form are submitted by the December 1 deadline, and the yearbook includes all of the information listed under Parts 1-4 on the evaluation form.

Exemplary Award

Chapters receive this award if their yearbook and evaluation form are submitted by the December 1 deadline, the yearbook includes all of the information listed under Parts 1-4 on the evaluation form and, in addition, includes at least five of the optional inclusions.

Copies of the yearbooks are kept on file by our Executive Secretary and State President. They can be used as references for chapter information. The yearbooks are also distributed to the State First Vice President for evaluation and commendation. Awards will be presented at the spring convention.

The evaluation form is available on the state website. In completing the form for submission, please indicate the number of the page(s) where the information is found.

To submit copies of your chapter yearbook for evaluation you have **four options**.

1. You may submit three hard copies of your yearbook. With those copies, please include one completed evaluation form. You may mail the copies and the form to the Alpha Iota State Executive Secretary who's mailing information you will find in the PAC roster available on the

state website or you may bring the copies and the form to the fall Executive Board meeting and Workshop.

2. If your yearbook is composed in a Microsoft Word document, you may copy the yearbook onto three CDs and mail them, with one completed evaluation form, to the Alpha Iota Executive Secretary. Her contact information is available in the PAC roster, found on the Alpha Iota website. No printed yearbook copy is required. Instead of mailing, you may bring the CDs and the form to the fall Executive Board meeting and Workshop.
3. If your yearbook is composed in a Microsoft Word document, you may email the yearbook and one completed evaluation form to the Alpha Iota State Executive Secretary at dkgmisecretary@gmail.com. The evaluation form is available on the state website.
4. If your chapter yearbook is online on your chapter website, you may direct our attention to that site. No printed copies or CDs will be needed. The evaluation form will be available on the state website. The yearbook editor should copy and paste the chapter's URL (web page address) right into the evaluation form. If a password is required for access, please include that as well. If you choose this option, please email the evaluation form to dkgmisecretary@gmail.com
